

IN-HOUSE CASINO

BETVICTOR

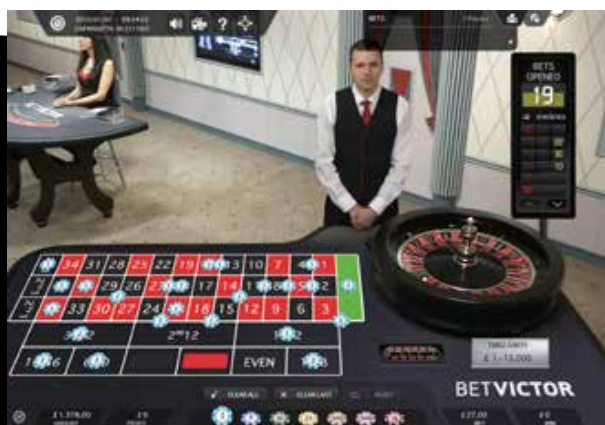

The In-House Casino is aimed to top tiers operators wanting to create their own live casino exploiting the hardware, software and knowhow of MEDIALIVE.

OUR OFFER

- Customisation of the gaming experience
- Diversification from standard products
- Complete control of the gaming tables and players
- Rapid setup times
- Maintenance and software updates included
- Flat fee

CASE HISTORY

Since 2013 we are the technology provider for BetVictor's In-House Live Casino. Medialive has been appointed by BetVictor to recreate an In-House Live Casino in its offices to have its own product with unique look and feel. We took care of the installation of hardware and software in BetVictor's Gibraltar studios and training of its dealers.
